Re: Perry Groten

Dear Mr. **Redact**:

My firm represents Nexstar Media Group and KELO-TV. We received a copy of the attached publication. The publication makes disparaging and defamatory remarks regarding Mr. Groten. Providing a map and an address encouraging people go to his house could implicate safety concerns.

It is clear that your group has strong opinions regarding the proposed Public Safety Center. You and your group were offered an opportunity to be interviewed. You are also welcome to submit a proposed story to air or purchase advertising promoting your position. However, attacks on Mr. Groten and encouraging people to go to his home are not appropriate.

We hope that this letter will be sufficient to avoid future conduct which could lead to legal action.

Sincerely,

JACKSON LEWIS P.C.

William L. Davis
